

GRAND CALUMET RIVER RESTORATION FUND COUNCIL

December 1, 2003

PUBLIC MEETING CANCELLATION NOTICE

The Grand Calumet River Restoration Fund Council (GCRRF) has decided to cancel the public meeting planned for 6:30 PM - 8:30 PM, December 9, 2003 at the Hammond Public Library. The Council did not have sufficient agenda items ready for presentation to warrant the meeting. We plan to schedule a meeting in January, 2004 to present a draft work plan for the investigation of DNAPL (dense non-aqueous phase liquid) discovered during previous sediment sampling efforts, compliance with National Environmental Policy Act (NEPA) requirements and discussion of model inputs for the human risk assessment being conducted for the West Branch cleanup effort.

Meeting summaries, handouts and slide presentations for the September 30 and the October 29 meeting have been placed on the IDEM web site:
